Yakov
In regard to FSV condition
I want to introduce you to Prof. Shuki Shemer Chairman of Assuta Medical Centers, former Director General of Health Ministry in IL. Former General in the IDF, head of Medical Command.
A great medical doctor and a friend.
Prof. Shemer should have his Doctors talking to FSV's. And then decisions could be taken re how to follow on.
Pl feel free to contact Prof. Shemer directly. He is in Israel this weekend. I've already informed Prof. Shemer that you're going to call him and forwarded to him the medical report you've sent me.
Best
Ehud Barak
